THE LAUNCH  
PACKAGE | FROM £499

what we  
can offer

## **NEW, FRESH AND UNCOMPLICATED**

Boom offers new, fresh and uncomplicated ways to recruit and retain entry level hires.

We focus highly on recruiting for starting and emerging careers offering clients the opportunity to unpack and tailor.

Clients and candidates benefit from a complete 360 support and training system which is offered in real time.

We offer coaching at each stage of recruitment and onboarding through our modular range of services.

It's our aim that everyone we work with enjoys an ultimate boom feeling of enlightenment and growth as new and refreshing approaches to recruitment take effect within their work environments and early careers.

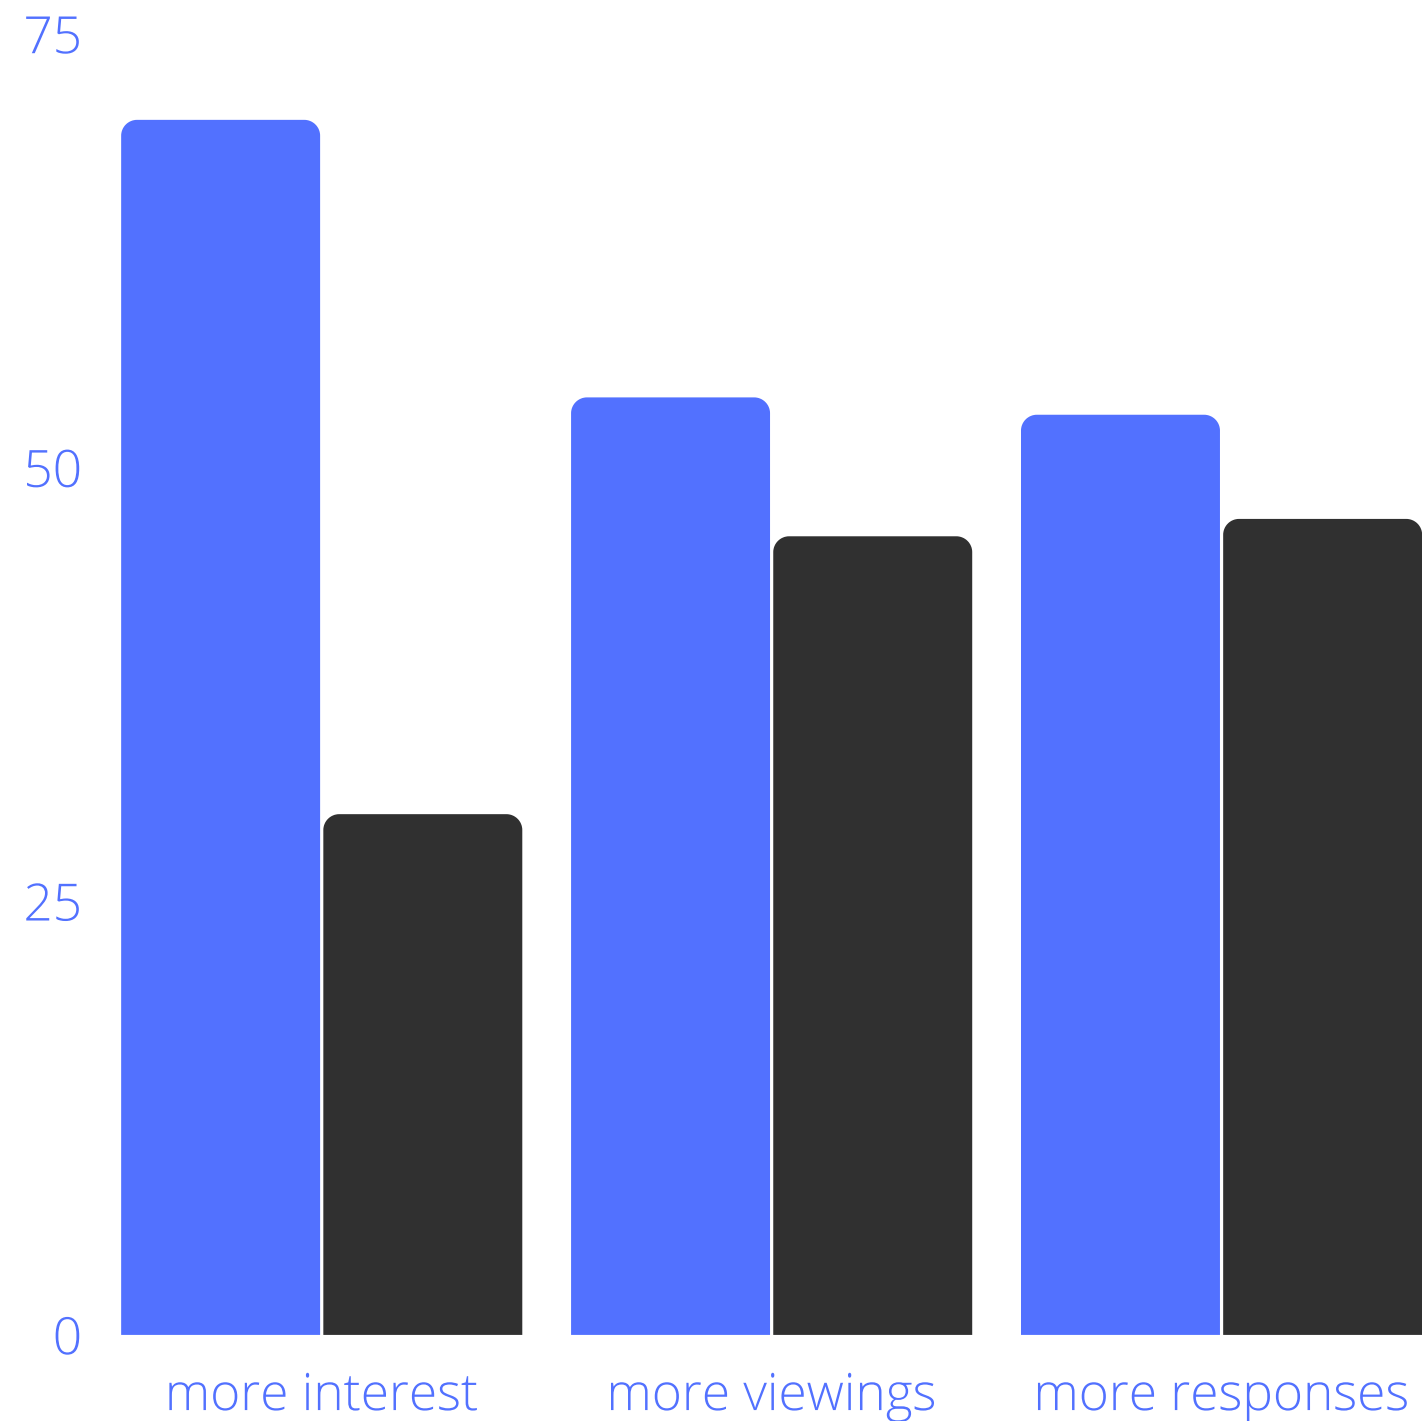

# 04.

THE LAUNCH  
PACKAGE | FROM £499

## step one

### showcase

Our Launch Package aims to understand your needs in order to help refine your vacancy specification and create an attention grabbing advertisement that showcases your opportunity in the best light.

## step two

### boost

Your vacancies will be optimised in all aspects and advertised across 100s of online recruitment sites. We provide a bespoke service focused on social media ads to ensure maximum exposure which benefits your candidate reach and employer brand.

# 06. step three

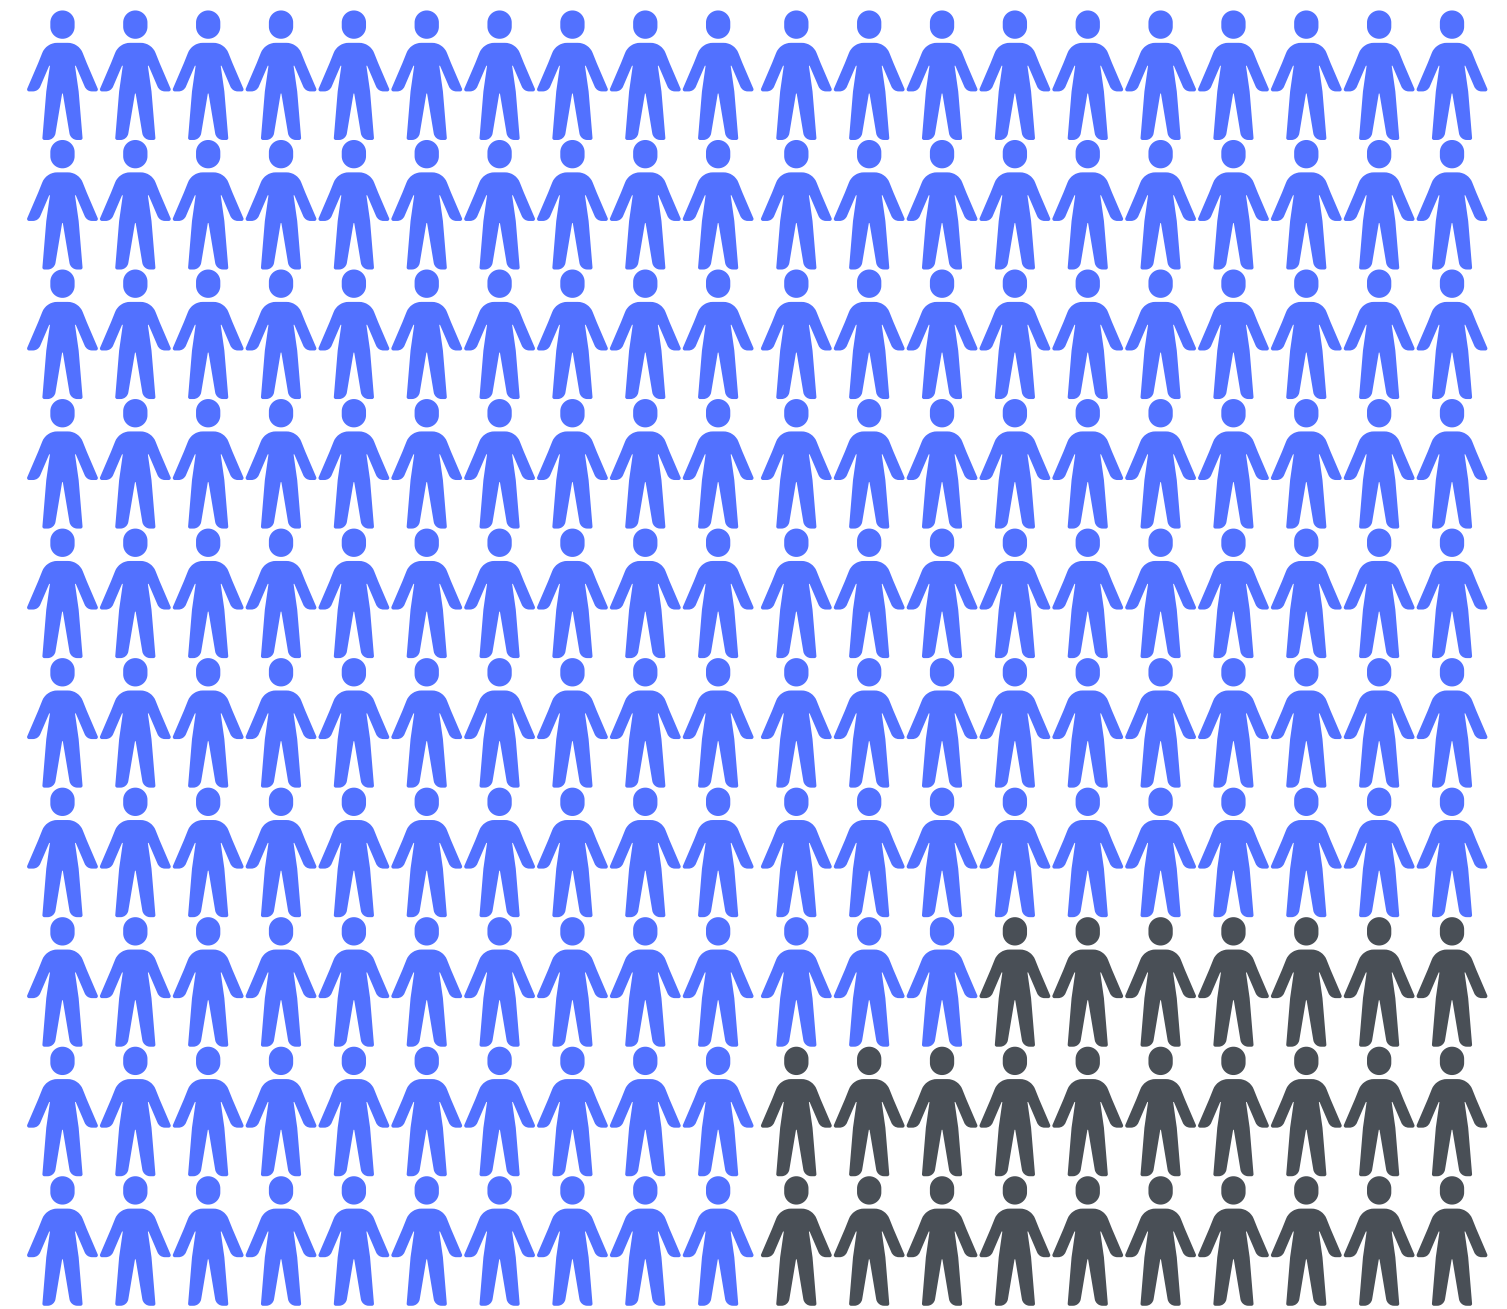

## search and approach

The Boom team will search across online candidate pools and contacts we think suit you and your needs relevant to what you're looking for in your vacancies.

# step four

## centralise

Boom has access to bespoke technology that works to filter and centralise candidates for you. This top of the range tech presents a long list of matching candidates.

**we have successfully placed over 700 young people into starter roles in the last year.**

08.

Our technology increases transparency, the accuracy of applications and the speed of response.

## step five

### shortlist

Our team screens candidates against your agreed criteria and provides a shortlist of the best candidates for you and the role.

## step six

### 360° workability

We support your candidates with step by step learning and development during the recruitment process as they onboard. With aims to increase their productivity over their first 6 months, we want to ensure we are all in unison as we provide help with contracts, mentor programmes, coaching skills, communication and running successful reviews for entry level candidates.
